BICYCLE ORDERS—Should be placed through your Schwinn Distributor either for direct factory drop-shipment or for delivery from Distributor's warehouse.

SALES AND QUANTITY DISCOUNTS—Obtainable from your Schwinn Distributor.

FINANCING TERMS—Are available at Schwinn Dealers who offer financing. You may contact your Schwinn Distributor for details.

Be sure to show the

complete model number including the dash number suffix (-1, -2, etc.), to insure receiving the proper bicycle with the exact coaster brake or rear hub you want. For example, write "S11-3 Speedster" or "S11-4 Speedster"—not "S11 Speedster w/3-speed."

OPTIONAL EQUIPMENT—When ordering "extras" please be sure the items you want are available on the particular model being ordered.

COLORS—Please order only those colors listed for each model. Check model color specifications in this catalog.

Avoid
delay.
Always
give
complete
information
on
every
Order.

HOW TO ORDER

FRONT HUBS

COASTER BRAKES—Available on W, F, S, and H models (except Streamliner), with coaster brake or 2-speed hubs. Includes drilled fork.

HEAVY DUTY FRONT HUB—With 120-gauge spokes. Available at extra cost on middleweight and balloon models.

TIRES AND TUBES

THORN RESISTANT TUBES—Available at extra cost on all models.

SOUTHWEST TIRES—Available at extra cost on all lightweight models.

KNOBBY TIRES—Available at extra cost on B12 Wasp.

TRACTOR TIRES—Black or Whitewall, available at extra cost on 26" F, S, and H models.

SUNDRY

SCHWINN-APPROVED SADDLE—Available at extra cost on 26" middleweight or balloon B, F, H, and S models.

SPRING FORK—Available at extra cost on the following 26" models: Wasp, Streamliner, Hornet, Starlet, Speedster and Hollywood—coaster brake and 2-speed models only.

DRILLED FORK—For installation of front caliper brake. Available at extra cost on 26" and 24" F and S models (except Streamliner).

PRICES—For all extra cost optional equipment may be obtained from Schwinn Distributors.

All specifications subject to change without notice.

Order
only those
options
listed
as
"Available"
on models
specified.

OPTIONAL EQUIPMENT

1. **MARK IV SCHWINN-APPROVED COASTER BRAKE**—Torpedo type. Standard on all S and R models. Optional on K, G and X models at no extra charge.

2. **BENDIX AUTOMATIC 2-SPEED COASTER BRAKE**—Standard on all 2-speed models.

3. **SCHWINN-APPROVED 3-SPEED HUB**—Standard on all 3-speed models unless otherwise specified.

STURMEY-ARCHER 3-SPEED HUB—AW type. Available at no extra cost on all 3-speed models. Specify number 4 hub.

MATTATUCK COASTER BRAKE—Available on all coaster brake models. Slight extra charge when substituted for Mark IV or Schwinn-approved coaster brake.

6. **BENDIX COASTER BRAKE**—Standard on all W, F, B and CT models. Available on all other coaster brake models at slight extra charge.

7. **SCHWINN-APPROVED COASTER BRAKE**—Komet type. Standard on all H, K, X, G and J models.

8. **STURMEY-ARCHER TCW 3-SPEED COASTER BRAKE**—Available at extra cost on all 3-speed models—not on coaster models. Supplied with front caliper brakes.

9. **DERAILLEUR REAR HUBS.**

10. **ALL OTHER HUBS, AS SPECIFIED**—Includes rear expander, free wheeling, fixed hubs and all others. Specify -O- and the exact descriptor of the hub desired.

Include
hub
suffix with
every model
number.
